

## Education Affordability Committee Strategic Priority Action Plan

Phase I: Identify existing strategies to make education affordable and increase the diversity of the student body April – October 2021	
Examples of Methods	What was learned (students may be in more than 1 category below)
Understand the number of students who 1) were awarded scholarships or other funding or 2) lowered tuition costs through the Western Regional Graduate Program	<p>During the 2020-2021 academic year:</p> <ul style="list-style-type: none"> <li>➤ Over 50 students had scholarships or other funding</li> <li>➤ During the 2020-2021 academic year, approximately 70 students from selected Western states and Hawaii paid in-state tuition for their graduate program.</li> </ul>
Understand the number of students who work on campus in various positions, some that include tuition benefits and some that include personnel benefits	<p>During the 2020-2021 academic year:</p> <ul style="list-style-type: none"> <li>➤ Opportunities varied by program (MPH, MS, PhD, DrPH) and included TA (~32), RA (~40), and GA (~16) positions, mostly doctoral students; a number of MPH students hold student assistant (worker) positions (~90)</li> <li>➤ Some students work as PRAs, SPRAs, or in other positions on campus</li> </ul>
Understand student costs (e.g., tuition, housing, health coverage, books)	<ul style="list-style-type: none"> <li>➤ Options to reduce different types of costs should be explored</li> </ul>

Phase II: Evaluate solutions to make education affordable and increase the diversity of the student body November 2021 – February 2022				
Activities May Include	Lead	Resources Required	Anticipated Products	Timeframe
Evaluate options to build on existing strategies (e.g., scholarships, Western state tuition program)		<ul style="list-style-type: none"> <li>➤ CSPH national, state, and local resources</li> <li>➤ CSPH personnel time</li> </ul>	More students have affordable education costs	

Assess new solutions for student employment		<ul style="list-style-type: none"> <li>➤ CSPH personnel time</li> <li>➤ CSPH funding supplemented by funding from other sources</li> </ul>	More students have employment opportunities	
Assess pros and cons of reducing CSPH costs and other costs (e.g., housing, health insurance)		<ul style="list-style-type: none"> <li>➤ CSPH personnel time</li> <li>➤ Options that address changes in revenue</li> </ul>	Some CSPH and other costs are reduced	

<b>Phase III: <u>Develop and implement solutions</u> that support affordable education and increase the diversity of the student body. Spring and Summer 2022</b>				
<b>Activities</b>	<b>Lead</b>	<b>Resources Required</b>	<b>Anticipated Products</b>	<b>Timeframe</b>
Implement plans to expand existing solutions: <b>Example</b> - student employment		Funding	MPH positions (GA level) to assist faculty in writing research proposals	Fall 2022
Implement plans for new solutions: <b>Example</b> – training grant		Funding	Training grant submitted	Spring 2023
Implement or evaluate options for reducing some costs: Tuition costs, Increase affordable housing, Health coverage cost reduction	<b>Example: Housing</b> Lead: Office of Student Affairs & Academic Operations	<b>Example: Housing</b> Personnel time (salary) to build linkages with apartment complexes	<b>Example: Housing</b> 50 students placed in affordable housing	<b>Example: Housing</b> Fall 2022
