Brianna F. Moore, Ph.D.

Assistant Professor
Department of Epidemiology
Colorado School of Public HealthUniversity of Colorado Anschutz Medical Campus
12474 East 19th Ave (Building 402), Aurora CO, 80045
cell: 737-268-8724

brianna.f.moore@cuanschutz.com

Education

Ph.D. in Environmental Health, Epidemiology Specialization Colorado State University 2015.

• Honors: 2015 Environmental Health Outstanding Graduate Student Researcher

M.S. in Health Sciences

2012

The University of Texas at Tyler

• Honors: Phi Kappa Phi National Honor Society (top 10% of Graduate students)

B.S. in Health Studies

2010.

The University of Texas at Tyler

• Honors: Graduated *cum laude*; President's Honor Roll; Alpha Chi Honor Society

Current Position

Assistant Professor 2022—Present.

Department of Epidemiology

Colorado School of Public Health, University of Colorado Anschutz Medical Campus

Research Experience

Assistant Professor 2020—2022.

Department of Epidemiology, Human Genetics and Environmental Sciences The University of Texas Health Science Center (UTHealth)

Postdoctoral Fellow 2016—2019.

Lifecourse Epidemiology of Adiposity and Diabetes (LEAD) Center

Colorado School of Public Health, University of Colorado Anschutz Medical Campus

Statistical Consultant (part-time position)

2016—2017.

Vermont Department of Health

Postdoctoral Fellow (part-time position)

2016.

The Department of Environmental and Radiological Health Sciences

Colorado State University

Graduate Research Assistant

2012—2015.

The Department of Environmental and Radiological Health Sciences

Colorado State University

Graduate Research Assistant

2010—2012.

Department of Health and Kinesiology

The University of Texas at Tyler

Current Research Support

Early-life exposure to secondhand smoke and childhood obesity
National Institute of Environmental Health Sciences (NIEHS) R00ES028711
03/01/2020—02/28/2023.

\$735,051

Role: PI (50% effort)

Transportability of effect estimates and cross-cohort comparisons in the ECHO program NIH ECHO Opportunities and Infrastructure Fund UC2OD023375 09/01/2020—08/31/2022.

\$200,000

Role: Co-investigator (5% effort)

Completed Research Support

Cannabis use in pregnancy and offspring growth and development UTHealth Center for Clinical and Translational Sciences (CCTS) Pilot Project 11/01/2020—06/30/2021.

\$34,049

Role: PI (5% effort)

Cannabis use in pregnancy and offspring glucose-insulin traits

UTHealth PRIME Award for New Investigators

09/01/2020—08/31/2021.

\$24,036

Role: PI (no salary support)

Early-life exposure to secondhand smoke and childhood obesity
National Institute of Environmental Health Sciences (NIEHS) K99ES028711
08/15/2018—12/31/2020.

\$159,180

Role: PI (100% effort)

Secondhand smoke exposure and metabolic disorders among U.S. children American Heart Association 14PRE18230007

01/01/2014—12/31/2015.

\$50,000

Role: PI-Fellow (100% effort)

Obesity, eating habits, and body dissatisfaction among Texas adolescents UT Tyler Office of Sponsored Research 01/01/2010—05/30/2010.

\$2,000

Role: PI-Undergraduate trainee (no salary support)

Conference Presentations

- 1. **Moore BF**, Sauder KA, Shapiro ALB, Crume T, Kinney GL, Dabelea D. "Fetal exposure to cannabis and childhood metabolic outcomes: The Healthy Start study." Poster presentation at the 2022 Annual Meeting for the Pediatric Academic Societies. Denver, Colorado, United States. April 22, 2022.
- 2. **Moore BF,** Kreitner K, Starling AP, Martenies S, Magzamen S, Clark M, Dabelea D. "Early-life exposure to secondhand smoke and childhood adiposity: Identifying windows of susceptibility." Oral presentation at the 2021 Annual Meeting for the Society for Pediatric and Perinatal Epidemiology. Virtual. June 10, 2021.
- 3. Byrd-Williams C, Matthews K, Stagg J, **Moore BF**. "Are you aware of federal and state laws to protect breastfeeding women? Results from the 2016 Texas Behavioral Risk Factor Surveillance Survey (BRFSS). Oral Presentation at the American Public Health Association 2020 Virtual Annual Meeting and Expo. October 24-28, 2020.
- 4. Martenies SE, Hoskovec L, Wilson A, **Moore BF**, Starling AP, Allshouse WB, Adgate JL, Dabelea D, Magzamen S. "A mixtures approach to assessing relationships between environmental and social determinants of health and neonatal size and body composition in the Healthy Start cohort." Oral presentation at the International Society for Environmental Epidemiology (ISEE) Virtual Conference. Virtual. August 24-27, 2020.

- 5. **Moore BF,** Starling AP, Martenies S, Magzamen S, Dabelea D. "Maternal smoking and exposure to ambient air pollution during pregnancy on BMI trajectories in the Healthy Start study." Poster presentation at the International Society for Environmental Epidemiology (ISEE) Virtual Conference. Virtual. August 24-27, 2020.
- 6. **Moore BF,** Shapiro AL, Wilkening G, Magzamen S, Starling AP, Allshouse WB, Adgate JL, Dabelea D. "Fetal exposure to tobacco and offspring neurodevelopment in the Healthy Start study." Poster presentation at the 31st conference International Society for Environmental Epidemiology (ISEE). Utretcht, Netherlands. August 25-29, 2019.
- Hockett CW, Starling A, Moore BF, Bellatorre, A, Aalborg J, Sauder K, Scherzinger A, Garg K, Ringham BM, Glueck DH, Dabelea D. "Adiposity and cardiovascular markers in offspring of women with diabetes during pregnancy." Oral presentation at the 78th American Diabetes Association Scientific Sessions. Orlando, Florida, United States. June 22-25, 2018.
- 8. **Moore BF,** Sauder KA, Hébert JR, Shivappa N, Ringham BM, Glueck DH, Dabelea D. "Dietary inflammatory potential during pregnancy, maternal obesity, and neonatal body composition: the Healthy Start study." Oral presentation at the 77th American Diabetes Association Scientific Sessions. San Diego, California, United States. June 9-13, 2017.
- 9. **Moore BF,** Clark ML, Bachand A, Reynolds SJ, Nelson TL, Peel JL. "Interactions between diet and exposure to secondhand smoke on glycated hemoglobin (HbA1c) levels among children, NHANES, 2007-2010". Poster presentation at the 2016 Epidemiology Congress of the Americas Meeting. Miami, Florida, United States. June 21-24, 2016.
- 10. Moore BF, Clark ML, Bachand A, Reynolds SJ, Nelson TL, Peel JL. "Interactions of diet and secondhand smoke on the prevalence of metabolic syndrome among children, NHANES, 2007-2010". Poster presentation at the 48th Society for Epidemiologic Research Annual Meeting. Denver, Colorado, United States. June 16-19, 2015.
- 11. **Moore BF,** Clark ML, Bachand A, Reynolds SJ, Nelson TL, Peel JL. "Interactions of diet and secondhand smoke on the prevalence of obesity among children, NHANES, 2007-2010". Poster presentation at the 48th Society for Epidemiologic Research Annual Meeting. Seattle, Washington, United States. June 24-27, 2014.
- 12. Good N, Carpenter T, **Moore BF**, Clark M, Kayne A, Koehler K, L'Orange C, Stuart A, Peel J, Volckens J. "The Fort Collins Commuter Study: Multi-pollutant spatio-temporal exposure assessment." Peer-reviewed abstract presented at the 2013 Conference Environment and Health Bridging South, North, East and West; Conference of ISEE, ISES and ISIAQ, Basel, Switzerland. Basel, Switzerland, Europe. August 19-23, 2013.
- 13. Koehler KA, Good N, **Moore BF,** L'Orange C, Clark ML, Kayne A, Stuart A, Peel JL, Volckens J. "A Holistic Approach to Microenvironmental Exposure Assessment: Home, Work, and Commute Personal Exposures to Particulate Air Pollution" Peer-reviewed abstract presented at the 2013 Conference Environment and Health Bridging South,

- North, East and West; Conference of ISEE, ISES and ISIAQ, Basel, Switzerland. Basel, Switzerland, Europe. August 19-23, 2013.
- 14. **Moore BF,** Pérez A, Sorensen W, Gosselin K, Perez A, Ballard J. "Diet-related behaviors, perceived social norms and obesity among Texas adolescents." Poster presentation at the 10th International Functional Foods in Health and Disease Conference. Santa Barbara, California, United States. March 13-15, 2012.
- 15. **Moore BF,** Pérez A, Sorensen W, Gosselin K, Perez A, Ballard J. "Diet motivations and body dissatisfaction among adolescent females". Poster presentation at the Alpha Chi National Scholarship Honor Society Convention. Little Rock, Arkansas, United States. March 25-27, 2010.

Invited Seminars and Presentations

- 1. "Tobacco exposure and children's health: Identifying critical windows and joint effects." Presentation with the Colorado School of Public Health, The University of Colorado Anschutz Medical Campus, Aurora, Colorado. July 22, 2021.
- 2. "Tobacco exposure and children's health: Identifying critical windows and joint effects." Presentation at the Michael and Susan Dell Center for Healthy Living Webinar Series, Austin, Texas. July 8, 2021. Webinar attended by 210 participants.
- 3. "Fetal origins of obesity: The role of nutrition and the environment". Presentation at the Michael and Susan Dell Center for Healthy Living Webinar Series, Austin, Texas. November 3, 2020. Webinar attended by 310 participants.
- 4. "Prenatal exposure to tobacco and childhood neurocognitive development". Presentation at the University of Texas Health Science Center at Houston Environmental and Occupational Health and Safety (EOHS) Research Series. Virtual meeting. San Antonio, Texas. October 23, 2020.
- 5. "Proinflammatory diets during pregnancy and neonatal adiposity". Presentation for the Pre-, Peri-, Postnatal (PPP) Working Group. Virtual meeting hosted by Environmental Influences on Child Health Outcomes (ECHO). May 27, 2020.

Teaching Experience

Instructor for *PH 2762: Environmental Epidemiology* The University of Texas Health Science Center in Austin

Fall 2021.

• Developed and taught a course exploring topics related to environmental health, with a focus on epidemiological study designs, biases, and methodological challenges in linking chemical exposures in the environment to human disease.

Guest Lecturer for *PBH 338: Environmental Health* The University of Texas

Spring 2020.

• Taught one lecture entitled "Developmental Origins of Health and Disease" to a large (100 student) introductory course for the undergraduate program.

Assistant Instructor for *EPID 7912: Developing a Research Grant* Fall 2019. Colorado School of Public Health, University of Colorado Anschutz Medical Campus

- Provided critical feedback on grant proposals to 11 PhD and MD students.
- Organized in-person Mock Study Section with faculty from the Medical School, School of Public Health, and other departments.

Assistant Instructor for *EPID 6630: Epidemiology* Fall 2017. Colorado School of Public Health, University of Colorado Anschutz Medical Campus

- Taught six lectures throughout the semester to a large (130 student) introductory course for the MPH program.
- Held weekly scheduled meetings with students to discuss course topics in depth.

Teaching Assistant for *ERHS 332: Principles of Epidemiology* Colorado State University

Fall 2012.

• Proctored guizzes and exams and evaluated student coursework

Teaching Assistant for *ERHS 320: Water Quality* Colorado State University

Spring 2013.

• Taught two lectures on bacterial and viral pathogens in recreational water to a midsize (50 student) introductory course for the undergraduate program.

Mentoring

Academic Advising:

- 7 MPH students, 2021-2022 Academic Year
- 6 MPH students, 2020-2021 Academic Year

Masters Students:

- Kaytlyn Salmons, GRA on fetal exposure to cannabis and childhood behavior project, resulting in coauthored paper. Role: GRA Sponsor Spring 2022.
- Sophia Cantor, Organizer for Q2, Vax Together Austin, and Austin City Limits Vaccination Clinics. Role: Practicum Advisor Fall 2021.
- Kimberly Kreitner, "One Health Implications of Harmful Algal Blooms in Austin and Travis County." Role: Thesis Supervisor, GRA Sponsor Spring 2021.

Doctoral Students:

- Adrienne Hoyt, "Maternal smoking during pregnancy, adverse birth outcomes, and pediatric behavior and neurodevelopment: Exploring joint effects and periods of susceptibility." Role: Dissertation Supervisor, GRA Sponsor Spring 2022.
- Lynne Heilbrun, "Health implications of recently discovered exogenous chemicals in children's baby teeth" Role: Committee Member
- June Chou, "Influence of mothers' postpartum employment status and workplace accommodations on breastfeeding duration." Role: External Reviewer

Academic and Professional Service

Service to the School and Department

Colorado School of Public Health:

 Organizer for Departmental Seminar Series Department of Epidemiology 2017—2018.

UTHealth:

- Preliminary Exam Organizer
 Department of Epidemiology, Human Genetics, and Environmental Sciences
- Supporting Faculty Member 2021.
 Southwest Center for Occupational and Environmental Health
- EOHS Preliminary Exam Contributor 2021. Department of Epidemiology, Human Genetics, and Environmental Sciences
- Reviewer for Ron Harris Scholarship
 Michael and Susan Dell Center for Healthy Living

Service to the Profession

Writing Team Member

2018—Present.

Environmental Influences on Child Health Outcomes (ECHO)

- *EC54*: Effect of maternal diet on perinatal inflammation: Targeting interventions to optimize birth outcomes
- *EC232*: Prenatal exposure to mixtures of perfluoroalkyl substances (PFAS) and autism-related outcomes
- *EC237*: Joint effects of prenatal air pollution and folate on pediatric neurodevelopment
- *EC520*: The impact of maternal smoking during pregnancy on childhood blood pressure

- *EC236*: A biomarker panel to distinguish e-cigarette use from other types of tobacco use
- EC525: Toward a robust measure of behavior problems: an ECHO-wide item-level analysis of CBCL 1.5-5

Journal Referee

Child and Adolescent Obesity, Diabetologia (2020 key referee), Environmental Epidemiology, Health Education and Behavior, Journal of Perinatology, International Journal of Environmental Research and Public Health, International Journal of Pediatric Obesity, Nicotine and Tobacco Research, Nutrition, Obesity, Occupational and Environmental Medicine, Pediatrics, PLOS One, Population Health Metrics, Toxics.

Member

International Society for Environmental Epidemiology 2019-2021.
Society for Epidemiologic Research 2020-2021.
Society for Pediatric and Perinatal Epidemiologic Research 2021.
